We, the Mayors signing this Covenant, share a vision for a sustainable future - whatever the size of our municipality or its location on the world map. This common vision drives our action to tackle interconnected challenges: climate change mitigation, adaptation and sustainable energy. Together, we stand ready to deliver concrete, long term measures that provide an environmentally, socially and economically stable environment for present and future generations. We, the Mayors signing this Covenant, share a vision for a sustainable, attractive, liveable, secure and energy efficient territories. It is our collective responsibility to build more sustainable, attractive, liveable, resilient and energy efficient territories.
